INTERNAL MEMO

13 June 2025

FROM
Musa Makhunga
Acting: Chief Executive
Officer

TO
All JPC Staff

This memo is confidential and NOT for publication

REFERENCE: REQUEST OF JPC FLEET VEHICLES

In order to request transport from the JPC fleet office all employees need to specify their trip request on the email sent to the fleet office, which must be approved by their JPC Fleet Management. The fleet officer will then allocate a vehicle accordingly and based on availability for the day. Employees receiving a locomotion allowance may also need to obtain written permission from the Chief Executive Officer in certain circumstances.

Procedures Requesting a JPC fleet Vehicle:

- Provide all the necessary information, including the purpose of the trip, date and time, destination, and any specific vehicle needs.
- Request needs to be sent to the Fleet Management Office two days prior.
- It is common for driver policies to limit waiting time for a clients, often to 30 minutes, before moving on to the next job (Limiting waiting time helps drivers complete more jobs withing a given workday, optimizing their overall schedule).

NB: Please take note this memo will be effective from 01st of July 2025.
